APPENDIX A ACRONYMS 14

1. Introduction

The Economic Adjustment Information Clearinghouse (EAClearinghouse) provides current information on Department of Defense (DoD)-related changes in local communities across the United States. These changes may be occurring due to implementation of the 2005 round of military base realignment and closure (BRAC 2005), the Global Defense Posture Review, "Grow the Force," and other initiatives underway across the DoD.

The EAClearinghouse is sponsored by the Office of Economic Adjustment (OEA) on behalf of the Economic Adjustment Committee (EAC). The EAC is composed of 22 Federal agencies that have been designated, under Federal Executive Order 12788, as amended, to help communities and states adjust to changes in DoD activities. Executive Order 12788 directs the EAC to serve as a clearinghouse to exchange information among Federal, state, regional, metropolitan and community officials involved in the resolution of community economic adjustment problems, and designates the Director of OEA as the Executive Director of the EAC.

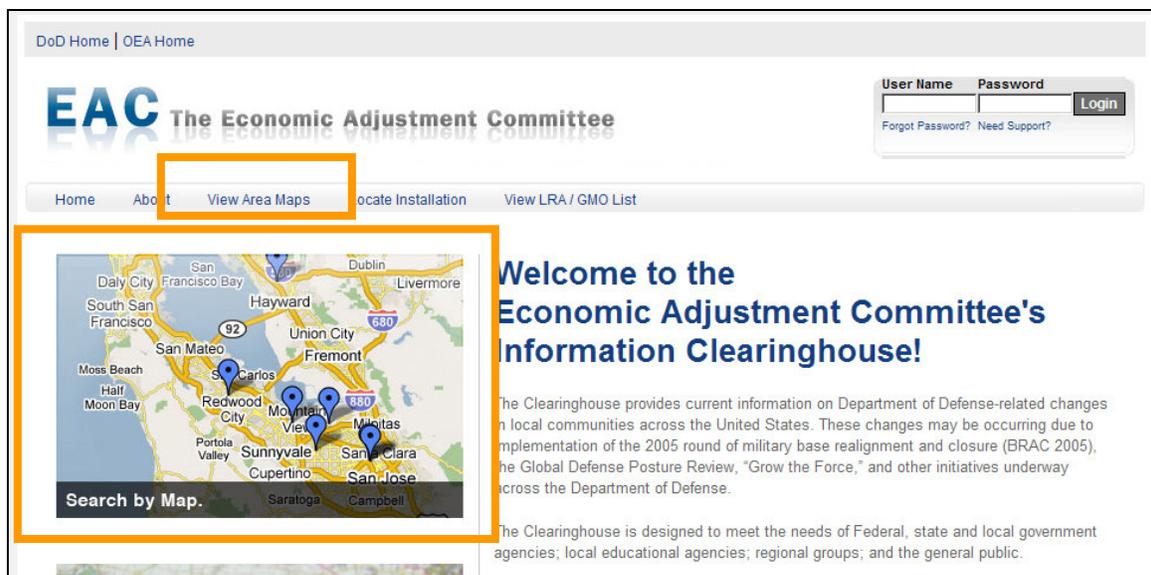

The Clearinghouse is designed to meet the needs of Federal, state and local government agencies; local educational agencies; regional groups; and the general public. It provides information on planned personnel changes, economic measures, and other topics of interest to communities with a changing DoD presence. The EAClearinghouse information will be updated routinely so that users will have access to the most current information available.

The purpose of this user guide is to take users step-by-step through the various features of the EAClearinghouse.

2. View Installation EA Clearinghouse Data

Note: Any user may view EAClearinghouse data. User log-in and password are not required for the view-only feature.

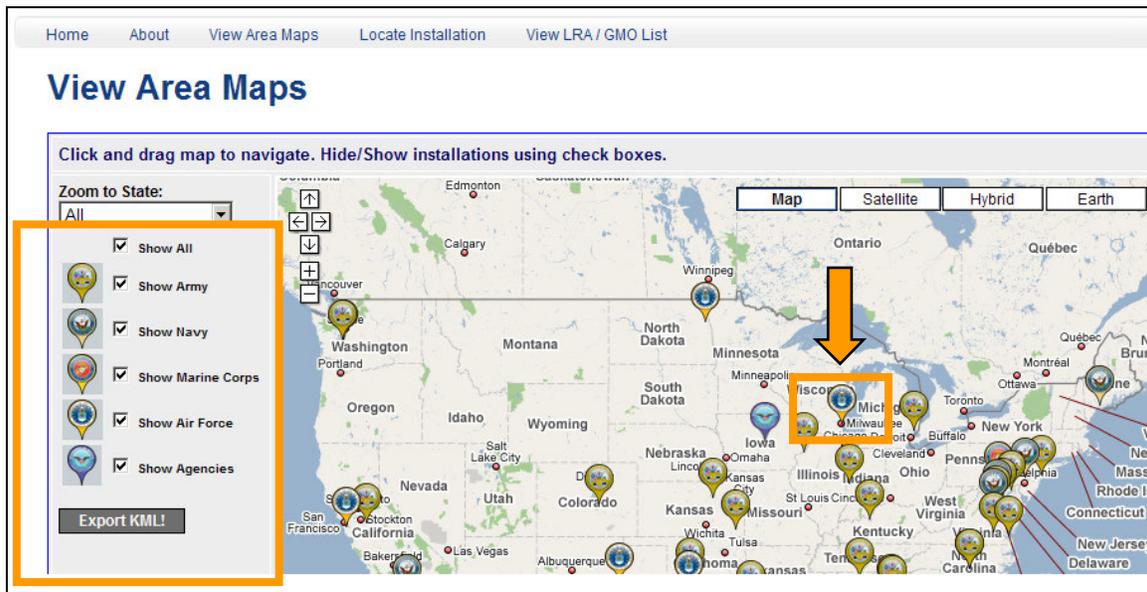

2.1 Select Installation by Map

The screenshot shows the EAClearinghouse website interface. At the top left, there are links for "DoD Home" and "OEA Home". The main header features the "EAC The Economic Adjustment Committee" logo. On the right side of the header, there is a login form with fields for "User Name" and "Password", a "Login" button, and links for "Forgot Password?" and "Need Support?". Below the header is a navigation menu with links for "Home", "About", "View Area Maps", "Locate Installation", and "View LRA / GMO List". The "View Area Maps" link is highlighted with an orange box. Below the navigation menu, there is a map of the San Francisco Bay Area with several location pins. The map is also highlighted with an orange box. To the right of the map, there is a "Search by Map." button. The main content area contains a "Welcome to the Economic Adjustment Committee's Information Clearinghouse!" message and a paragraph of introductory text.

1. Click on the **View Area Maps** link; or Click on the **Search by Map** image.

The View Area Maps screen is displayed.

2. Select one or more Service check boxes.

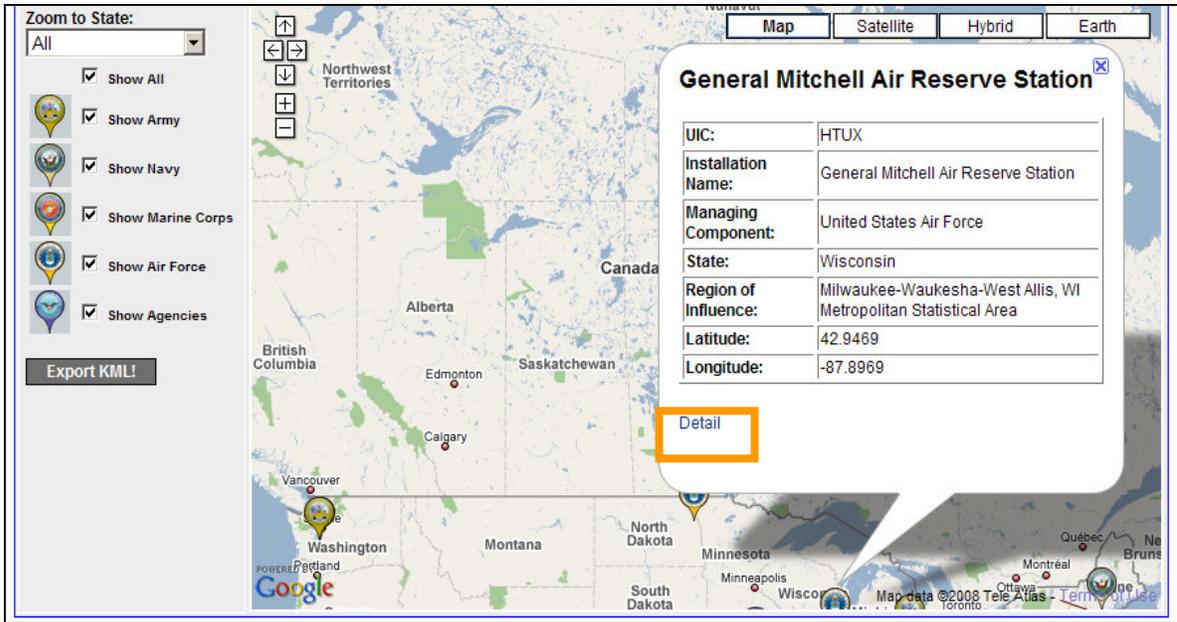

The map markers designating each installation within the selected Service(s) are displayed on the map according to location. Each map marker is visually differentiated by Service type.

Note:

- To zoom in to a specific state, select the State from the **Zoom to State** drop-down box.
- To zoom-in on the map, select the  box.
- To zoom-out from the map, select the  box.
- To pan (move) the map right, left, up, or down, select the , , ,  arrow boxes, as appropriate.

3. Click on the map marker for the installation you wish to view.

General information for the selected installation is displayed in a callout box on the map.

4. Click on the **Detail** link.

The Installation Details screen for the selected installation is displayed.

2.2 Select Installation by List View

1. Click on the **Locate Installation** link; *or* Click on the **Search by Installation** image.

The list of installations is displayed.
